POWERGRID strives to have a workforce which reflects gender balance and women candidates are encouraged to apply. We have been recognized as one of Best Organizations for Women 2026 by Economic Times

Posting locations of selected candidates in POWERGRID are likely to be in any of the POWERGRID offices, substations, transmission line offices, construction sites and subsidiaries spread across the country & abroad.

For Eligibility Criteria, Relaxation and Concession, Selection Process, Health, Compensation Package, Service Agreement Bond, General Information and instructions, etc. regarding this recruitment, please refer to our detailed Advt. No. CC /04/2025 dtd. 27.09.2025 (ET2026throughGATe2026.pdf).

Empanelment of Candidates:

The empanelment of candidates shall be as under: -

Candidates shortlisted for Group Discussion and interview may have to undergo Psychometric Assessment, results of which shall be used as an input during the interview. Candidates who qualify in Personal Interview will only be adjudged suitable for empanelment.

Candidates should have qualified in GATE 2026 and in Personal Interview separately in order to be considered eligible for empanelment.

Please note that only GATE 2026 score (Normalized Marks out of 100) is valid for this recruitment process. GATE score of 2025 or prior is not valid.

Selected candidates shall be notified through their candidate login in Online application system.

HOW TO APPLY

- From **03 November 2026** onwards, candidates have to register themselves online at POWERGRID website https://www.powergrid.in/ with details of their GATE 2026 registration number and other required information.
- Online application shall close on **18 November 2026**.
- GATE Registration No. and GATE Application No. as appearing on the GATE 2026 Admit Card need to be entered carefully in the online application form. **No other number should be entered as GATE 2026 Registration number or GATE Application No. while applying.** Application once submitted may be edited/updated till last date of submission of online application
- **Please note that once your application is submitted, no request regarding amendment/updation/change in GATE Registration Number or GATE Application No. or Name or any other details shall be entertained. Enter your name and other details carefully and exactly as entered in your GATE admit card.**
- Please fill in other details in the application very carefully. Please take care while filling out the email/ alternative email fields since all important communication shall be through emails only.
- Upon completion, the candidate should submit the online application by clicking the Submit button at the end of the page. If the same is accepted, the system will generate a unique POWERGRID Registration Number which shall appear in the completed application form.

POWERGRID strives to have a workforce which reflects gender balance and women candidates are encouraged to apply. We have been recognized as one of Best Organizations for Women 2026 by Economic Times

- Candidates (Other than SC/ST/PwBD/Departmental) are required to pay Rs. 500/- as non-refundable application fee, through online Payment Gateway during the application period.

- **Application process will be treated as complete only on submission of application fees (as applicable).**
- No hard copy of application is required to be sent to any address by post.
- In-complete applications / Draft applications/ applications without application fees (if applicable) will be rejected.
